- Generous write in areas for personnel involved, completion date, and additional notes
- Available in three materials in packs of 5 or 25

29 CFR §1910.147(b) Tagout Devices. A prominent warning device, such as a tag...to indicate that the energy isolating device and the equipment being controlled may not be operated until the tagout device is removed....

...(c)(5)(ii)(A)(2) Tagout devices shall be constructed and printed so that exposure to weather conditions or wet and damp locations will not cause the tag to deteriorate or the message on the tag to become illegible...

...(c)(5)(ii)(D) Identifiable.... tagout devices shall indicate the identity of the employee applying the device(s)...

...(c)(5)(iii) Tagout devices shall warn against hazardous conditions if the machine or equipment is energized and shall include a legend such as the following: Do Not Start, Do Not Open, Do Not Energize, Do Not Operate...

...(d)(4)(iii) Tagout devices, where used, shall be affixed in such a manner as will clearly indicate that the operation or movement of energy isolating devices from the "safe" or "off" position is prohibited...
