

Size Doesn't Matter... UNTIL IT DOES

Introducing **CRC BRÄKLEEN® PRO SERIES**, the complete line of **PRO**fessional-use brake parts cleaners from the #1 brand worldwide. These extra-tough, extra-large brake parts cleaners are designed for superior performance where it's needed most – **IN THE SHOP!**

BRAKLEEN PRO SERIES Brake Parts Cleaners feature:

- **Larger cans with increased fill weights**
Use fewer cans in the shop resulting in less recycling and a reduced carbon footprint.
- **Enhanced formulas for maximum cleaning power**
We couldn't do much to improve the #1-selling original formula, but you get 10 more net wt. ounces in the PRO SERIES! Plus, our chemists maxed-out performance on the rest of our formulas for increased cleaning power like never before.
- **PowerJet® actuators on every can**
Stronger mechanical power from the nozzle breaks down brake grease and dust with more force.

Available In Four Formulas

Part No.	Net Wt.	Units/Case	Unit Dimensions
05089PS	29 oz.	12	9.19"H X 3"W X 3"D
05088PS	18 oz.	12	
05084PS	19 oz.	12	Case Dimensions
05050PS	20 oz.	12	9.6"H X 12.5"W X 9.1"D

- **Globally Harmonized System (GHS) compliant labeling**
Workplace compliant GHS labeling increases the quality and consistency of information provided to workers, employers and chemical users about the products they're using.

- **Patented S.D.[L.]® (Safety Data Labels) on every can**
No need to find a computer or rifle through filing cabinets to locate important safety data sheet (SDS) information any more. Simply peel back the label on the can to reveal all your SDS needs.

Chemical Solutions to Keep You Moving™
