

N95 RESPIRATOR

N95 PARTICULATE RESPIRATOR

N95 VALVED AND NON-VALVED PARTICULATE RESPIRATORS

N95 Valved and Non-Valved Particulate Respirators are designed to help provide quality, reliable worker respiratory protection. The respirator has a dual head strap for optimum fit. Its unique design follows the contour of the face, while the valve enables easy breathing and comfort maintenance-free, this respirator provides 95% filter efficiency level effective against particulate aerosols free of oil; time use restrictions may apply. NIOSH approved.

INDUSTRIES & APPLICATIONS

- Woodworking
- Automotive
- Masonry
- Sanding
- Agriculture
- Stains
- Construction
- General Manufacturing
- Oil and Gas
- Grinding Metal
- Chemical Strippers

PRODUCT FEATURES

- NIOSH N95 approved. Provides at least 95% filtration efficiency against certain non-oil based particles
- Electrostatically charged filter media ensures easy breathing while maintaining effective filtration
- Exhalation valve opens effortlessly to release warm, humid air, helping maintain a cooler and more comfortable environment inside the respirator
- FDA cleared for medical use (non-valved only)
- Comfortable, latex-free head straps designed without staples to enhance safety and wearability
- Ergonomically contoured nose clip with soft foam nose strip improves comfort and helps minimize lens fogging
- Durable double-shell design offers extended product life

N95 PARTICULATE RESPIRATOR

STANDARDS & PERFORMANCE

Filtration Efficiency	NIOSH N95 provides at least 95% filtration efficiency against certain non-oil based particles
NIOSH Approval	8610 TC-84A-0160 8611 TC-84A-0161
FDA	Non-valved model is an FDA-listed surgical N95 respirator and meets applicable FDA-recognized performance standards

TECHNICAL DATA

Outer Veil	Spunbond Scrim + 100% polyester carded web
Inner Veil	100% polyester carded web
Filter	Meltblown
Nose Clip	Aluminum
Nose Cushion	Sponge Foam
Head Straps	Latex-free rubber band
Exhalation Valve	Polypropylene and rubber
Color	White
Country of Origin	USA
Available Sizes	One Size

PACKAGING CONFIGURATION

	8610
UOM	20 Masks per box
Master Pack	240 Masks / 12 Boxes
	8611
UOM	10 Masks per box
Master Pack	120 Masks / 12 Boxes
